Docket Nos. 33, 46, 49

Defendant has moved to stay proceedings pending preliminary and final approval of a class action settlement in a case in state court. Defendant's motion is not an administrative motion for relief. That being said, Defendant's motion to stay should be resolved before the Court addresses other pending motions, namely, Defendant's motion to dismiss and Plaintiff's motion for conditional certification. Accordingly, the Court hereby orders as follows.

1. The hearings on Defendant's motion to dismiss and Plaintiff's motion for conditional certification are temporarily **VACATED**. In addition, briefing on Plaintiff's motion for class certification is temporarily stayed.
